JUNIOR MINSTEAD 40TH PANTOMIME

'Charlie and the Confectionery Factory' written by Jo Vardy

This was a fabulous production that involved so many of the children of Minstead Village. The show was full of local jokes, affectionately poking fun at everything from the local barmaid, to complaints over the slow internet and to planning permission grievances. Both shows were performed to a packed and appreciative audience. The superb music, written this year as always by Marion Young and played by the Minstead orchestra was a perfect accompaniment to the professionalism of the play. Special mention should also go to the excellent sets and special effects which included an inflatable suit and confetti bomb. There was even a special guest appearance by BBC South Today reporter, Emma Vardy, sister of writer and director Jo Vardy who thoroughly enjoyed her cameo role as a stropky interviewer trying to get her scoop. A truly wonderful and memorable production which spectacularly succeeded in bringing the community together.

HOW IS OUR COUNCIL TAX MONEY APPORTIONED?

Nobody enjoys paying tax but it is interesting to know where our Council Tax monies go. After talking to Diane Andrews our local NFDC District Councillor this was made clear. Each £1 we pay is shared between five organisations in the following proportions:

- 71p Hampshire County Council
- 10p Police and Crime Commissioner
- 10p New Forest District Council
- 5p Town and Parish Councils
- 4p Hampshire Fire and Rescue

Diane explained from their income the NFDC provides: rubbish collection and recycling, planning services, managing council housing, providing housing advice and homelessness prevention, maintenance of public toilets, supporting CCTV in towns and villages, running cemeteries, caring for the coastline, street cleaning and grass cutting, administering taxi licensing, monitoring air quality, running electoral registration, recovering stray dogs, controlling food hygiene, maintaining trees, providing community and leisure services and offering pest control services.

Garden Waste – Are you aware there is an option to have your garden waste collected by the NFDC once a fortnight for £32 per year? They supply you with a (20kg) bag and a list of collection dates. Additional bags are a further £17 (p/a).

PRECEPT – MINSTEAD PARISH COUNCIL

Council Tax bills went up this year and the increase in the Minstead Parish Council precept was £500. This brought the total monies in to the parish to £10,000. This is the first increase since 2011 and it is important to explain why. Because of local authority austerity measures, Minstead PC is finding it increasingly difficult to get funding for action in areas such as footpath and bridleway maintenance, highway maintenance and local traffic management issues. There is also a move to try to devolve some responsibilities to Town and Parish councils to increase local accountability. One specific consequence is that Minstead PC has committed to cutting the vegetation back on the single section of Mill Lane. The Parish Council will always endeavor to keep the precept to a minimum.

HOUSEHOLD GLASS COLLECTION

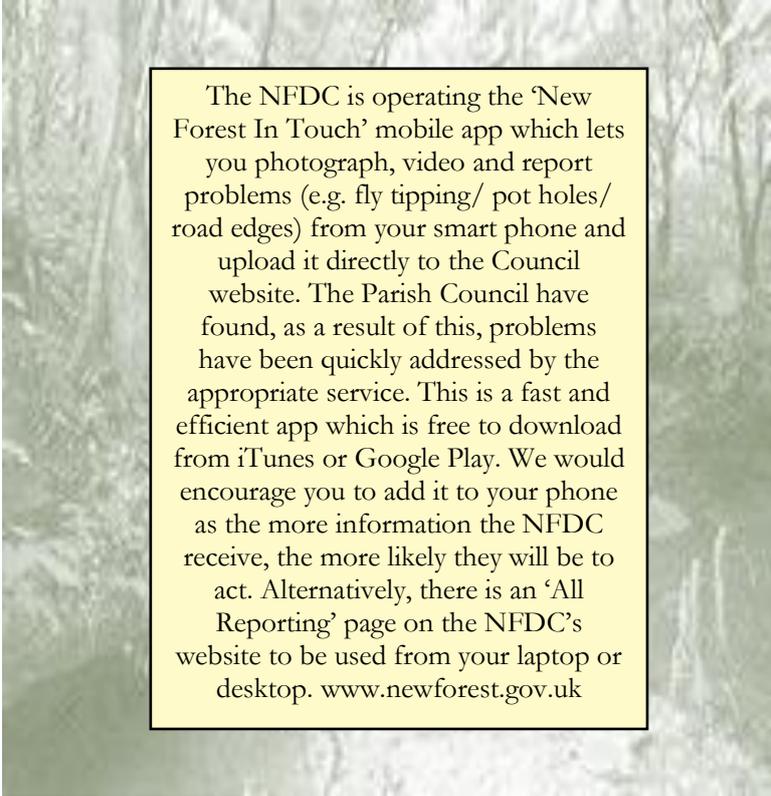

New Forest District Council has developed a text reminder service for your glass recycling collection. This means the day before the glass is scheduled to be picked up you will receive a text to prompt you to put your black box of glass outside. It's easy to sign up, just text 'GLASS' to 81025 together with your first and last name, first line of your address and postcode.

Example: **Text 81025**

NFDC - REPORTING A PROBLEM

The NFDC is operating the 'New Forest In Touch' mobile app which lets you photograph, video and report problems (e.g. fly tipping/ pot holes/ road edges) from your smart phone and upload it directly to the Council website. The Parish Council have found, as a result of this, problems have been quickly addressed by the appropriate service. This is a fast and efficient app which is free to download from iTunes or Google Play. We would encourage you to add it to your phone as the more information the NFDC receive, the more likely they will be to act. Alternatively, there is an 'All Reporting' page on the NFDC's website to be used from your laptop or desktop. www.newforest.gov.uk
