

Ordinary Meeting of Minstead Parish Council

Danby Room, Minstead Village Hall

Monday 6 November 2017 at 19.30

Present: Cllrs W Andrews (Chair), S Cattell, H Bennett, Cllr Ferguson, G Hough, R Taylor.

In attendance: P Osborne (Clerk), Cllr Mrs Andrews, Cllr E Heron (HCC), Mrs A Cooper.

1. Apologies for Absence

Cllr D Wakelin

2. Public Participation Period

Discussion about the worrying trend of urbanisation in Minstead, in particular the 'city-style' bollards recently erected outside a resident's garage and paving laid on Manor waste. Developers and buyers, perhaps not aware of the special historical status of villages like Minstead, make changes to their houses and entrances that are not in keeping with local distinctiveness and thereby erode the fabric of the village. There are currently several houses in the village for sale and it is imperative that the Parish Council does its best to protect and enhance the special environment of Minstead.

It was suggested that the Parish Council be proactive in helping purchasers and those making planning applications understand what is appropriate in terms of scale and appearance.

3. Declarations of Interests

Cllr Ferguson declared Personal Interest in item 10, planning application 17/00666.

4. To confirm the Minutes of the Ordinary Meeting held on 2 October 2017

These had been previously published and were agreed and signed.

5. Matters Arising

None.

6. Items Ongoing

- Cutting vegetation on Blackwater Road: A temporary road closure proved not feasible. Mr Bridle has undertaken to do the work. **Closed**
- Leaning telegraph pole on Newtown Road: Feedback from BT Openreach (by telephone) that an engineer had visited site and pole was safe. **Closed**
- Parking in village centre: Cllr Andrews met with several people from the centre (including Village Shop and Trusty Servant) who claimed that parking was not a problem. However, suggestions were made: (i) reconfigure the NFDC car park - remove pavement, mark out parking bays and paint white line to prevent parking across the entrances to two houses; (ii) 'No Parking' sign on side wall of Trusty Servant - Mrs Lewis will do this; (iii) diagonal parking at church. Cllr Mrs Andrews agreed to take these ideas forward. **Ongoing**
- Water leaks and eroded edges on roads: Water leak at London Minstead not repaired and verge (SSSI) below is being destroyed. Cllr Taylor will send new photo to Bob Brown (HCC), cc Cllr Heron. **Ongoing**

7. Reports from County and/or District Councillor

Cllr Edward Heron (HCC) reported on matters he had looked into:

- Signs for footway (opposite Old Court House) – the request has been passed to the Rights of Way team.
- Village signs – one to be repaired by HCC, will seek to assist with grant funding for additional sign.
- Mill Lane signage at both ends – is being progressed as a priority
- Online surveys – he had explained to HCC colleagues the unsuitability of such surveys for councils.

He reported that HCC has agreed saving plan for 2019. The Council has asked Officers to look again at proposed savings in the areas of community transport, school crossing patrols and household waste recycling centres.

Cllr Mrs Andrews (NFDC) reported that Flo Churchill, Executive Manager for Planning at NFDC, has left to continue with her own consultancy business. Grainne O'Rourke will be responsible for the Planning Department. Focus at this moment is on the Local Plan.

Cllr Sophie Beeton, Portfolio holder for Environment, has resigned from the Cabinet due to ill health and a Cabinet re-shuffle is expected.

8. Report from Lengthsman

Work done in October:

- Bus shelters on Football Green and at Village Hall - applied wood preservative.
- Flag pole support - prepared surface and painted.
- Telephone kiosk opposite Trusty Servant - he has checked rot in lower part of door which he will repair.

Comment from Council that Village notice board roof is sound, contrary to 'shows signs of rotting' stated on 2017 Inspection report.
