WYRD SISTERS

by Terry Pratchett,
adapted by Stephen Briggs

Something is rotten and really quite stinks in the Kingdom of Lancre. The King is dead, Long Live the King! Well actually no, because the New King, the evil Duke Felmet, murdered the previous King... The only person who could take the throne would be the missing infant Prince. The baby finds safety under the protection of three local witches, Granny Weatherwax, Nanny Ogg and Magrat Garlick. The witches have a rule never to interfere but with the life of a child at stake and the fate of the Kingdom at hand, Granny has a saying about rules, if you're going to break them "Break them good and hard!" Best-selling novelist Terry Pratchett's characters are brought to life in this hilarious fast paced adventure.
