Public Exhibition

Latchmore Wetland Restoration Project

The Forestry Commission are proposing to submit a planning application by the end of this year to undertake works to restore the Latchmore Brook to its natural meandering course.

A public exhibition to update you on the proposals is being held on:

Tuesday 6th October 2015
From 4pm until 8.30pm
At Hyde Church Community Centre, nr
Fordingbridge, SP6 2QJ

The Forestry Commission and LUC (independent planning and environmental consultants) will be available to answer any questions on the proposed project. You will also have the opportunity to feedback your comments at the event.

Further information about the New Forest Higher Level Stewardship (HLS) scheme and the wetland restoration project for Latchmore can be viewed online at www.hlsnewforest.org.uk or you can contact one of the HLS team at enquiries.latchmore@forestry.gsi.gov.uk
