in partnership with

ST. MICHAEL AND ALL ANGELS CHURCH, LYNDHURST

Over the past decade or so FOLS & LOFF, in partnership with St Michael and All Angels Church, Lyndhurst, have transformed this beautiful church into a wonderful Christmas spectacle of colour, light and joy but now it is time to refresh the Christmas Tree Festival making it open to all of our community

This year, responding to your concerns about the rising cost of trees and lighting, we have changed the format. We are inviting organisations, groups, businesses and individuals to make a display perhaps describing what they offer, or to say thank you to someone special or just to mark their personal joy. As a contribution to our cost of putting on the Festival there will be a charge of £5 for each display entered.

Your display can be a traditional, artificial or a stylised tree, a nativity scene or an item sympathetic to the event, made of materials of your choice. The only restriction is height between 1ft and 5ft.

Just let your imagination take flight.
