

## Wedding Exhibition All Saints Church Minstead

We are planning a display for the Compton Area for immediately after Easter.

The idea is to celebrate the weddings that have taken place in the Church over the years and even centuries.

If you have any photographs or memories that we could include then please email either myself at [Michele.arkle@yahoo.com](mailto:Michele.arkle@yahoo.com) or Nick Mellersh at [nandimellersh@yahoo.com](mailto:nandimellersh@yahoo.com)

Ideally if you could send anything digitally then we can print them off, if not then we can scan your photos so we don't use originals.

Your memories needn't just include photos; orders of service, hymns or readings that were special on your day would all be welcome. Or indeed any other form of memorabilia would be great.

Thanks

Michele Arkle
