

MINSTEAD TRAINING TRUST

GROWING LIVES TOGETHER ENGAGEMENT DAY 22ND APRIL 2016

Minstead Training Trust is a charity local to you, but do you ever wonder what we actually do here? Would you like to understand more about the positive difference we are making to the lives of people with learning disabilities, right here in the heart of The New Forest?

In our 30th anniversary year, we continue "Growing Lives Together", supporting and training adults with learning disabilities. We'd like to take this opportunity to share with you the charitable work that we do, here at Minstead Lodge and in the Community. We would therefore like to invite you to visit Minstead Training Trust on **April 22nd from 2pm onwards**, to hear about how we are supporting adults with learning disabilities, see some of our work in action and hear about our plans for the future.

On the afternoon of the 22nd April between 2pm to 3.45pm, there will be an opportunity for you to see what we do here, with students being trained in work and life skills such as woodwork, hospitality, animal care and information technology, and also see some of the activities we provide that promote wellbeing, such as music and dance. At 4pm we will be holding an afternoon reception, where you can meet myself, the Trustees and our Senior Team. At 3pm and 5.15pm I will be giving a short talk about our charitable work.

Please RSVP by the 15th April to Info@minsteadtt.org, or please telephone 02380 812297 to confirm if you wish to attend our "Growing Lives Together" afternoon and if possible, please give an indication of your expected time of arrival. If you are unable to attend on April 22nd but would like to come on a future date in the Autumn, please let us know.

We look forward to hearing from you,

Kind regards,

Madeleine Durie

CEO
