

## **MINSTEAD VILLAGE SHOP**

Christmas Ordering is now open... our **free range bronze turkeys** are reared in the New Forest, just 15 miles from our doorstep. This year the Beef is incredible and is coming from a 'farmer owned' cooperative based in Aberdeenshire. The Lamb and Pork are both local and the sausages and bacon made by Drummond's Butchers in Romsey.

As always lots of yummy cheese, vegetables, Christmas puds, Winchester gins and wines. You can view and order from the shop online here -

<https://www.minsteadvillageshop.com/christmasshop> or, printed copies available in the shop.

Collection or, delivery by Andy & Wilson, will be on 23rd December.
