

You said you wanted a Village Shop?

**THIS IS YOUR OPPORTUNITY TO HELP AND
YOU NEED TO HELP NOW!**

**£25,000 needs to be raised by the end of September
and we are currently only half way to our target.**

A weekly update on progress to the target is published in the Parish e-newsletter.

This will be a community owned asset run by the village and for the village. Operated by volunteers it will sell basic provisions, local produce and will incorporate a café and a community hub.

The Village had a shop for over 250 years until July 2018.

**Without support from the community there will be no
Minstead Community Shop.**

For details on how to buy your shares see the bottom of this flyer.

Details of the project, share prospectus and share form can be found at
