### VILLAGE HALL RECYCLING FACILITY

Everyone is reminded that our recycling facility at the Hall is just that - it is not for general household waste disposal. Please use it for these items ONLY:

- **glass mixed** (no pyrex)
- **cans and plastic bottles** (to include all metal cans including aerosols, cleaning products bottles, milk cartons (no lids), soft drink bottles (no lids), shampoo bottles and washing up bottles.
- **paper and cardboard** to include cardboard boxes, magazines, yellow pages, brown envelopes, even with windows and birthday cards. (no gift wrap)

Please do not use it for other household rubbish or anything else. If in doubt put it in your black bag for energy recovery or take it to one of the Household Waste Recycling Centres. If you don't know where these are or what can be taken visit <https://www.hants.gov.uk/wasteandrecycling/recyclingcentres>

But please remember that if we don't use our Minstead Facility properly it may be closed and we'll lose a valuable community asset.

### **HISTORY GROUP**

### **MINSTEAD COMMUNITY SHOP**

The Committee hope you will have seen the special eNewsletter announcing that the Community Shop Share Sale met its minimum target of £25,000 on 30 September. Thank you to everybody who has bought shares. It is pleasing that people are continuing to buy shares. The total raised is now £26,675 on 4 October. But that's no reason not to buy shares if you haven't bought any yet as we want as many members as possible to make this a genuine community project. The minimum share purchase is only £25, so please join now.

### **NEW FOREST HEART BEAT REPORT SEPTEMBER 2019**

This month's Beat Report is available to read on the Village website by clicking [HERE](#).

Those who are signed up to Hampshire Alert (click <https://www.hampshirealert.co.uk/> if you are not!) will already know that thieves have been stealing from cars parked in New Forest car parks this week.

2 handbags have been taken from cars parked in Fritham and Andrews Mare car parks, both of them had been "hidden", one under a coat and one under the back seat. Our Police advise everyone not to leave anything valuable inside your car and not to try and hide anything because you never know who is watching you!
