#### 8. Reports from County/District Councillors

Cllr E Heron (HCC) reported by email:

**Residents' views sought on tough decisions for balancing the budget** Hampshire County Council has launched a consultation to ask people for their views on options to help the Authority to prepare its budgets through to April 2024 - in response to continuing pressures on local government funding and increasing demand for core public services.

The Balancing the Budget consultation presents a range of options that could contribute towards balancing the budget. These might involve:

- Introducing and increasing charges for some services;
- Lobbying central Government for legislative change;
- Generating additional income;
- Using the County Council's reserves;
- Reducing and changing services;
- Increasing Council Tax;
- Changing local government arrangements in Hampshire.

The consultation runs from midday Monday 7 June 2021, to 11:59pm on 18 July 2021.

Residents can take part in the consultation via the online response form on the webpage: www.hants.gov.uk/balancingthebudget.

There is also a full information pack about the proposals in the consultation on this webpage. Paper copies can be requested by emailing <a href="mailto:insight@hants.gov.uk">insight@hants.gov.uk</a> or calling 0300 555 1375.

Surgeries I hold regular virtual surgeries (using Zoom) on the last Friday of each month for residents to discuss any issues or raise any concerns they may have with me. To book a slot I would be grateful if residents could email me (edward.heron@hants.gov.uk) no later than 5pm on the preceding Monday. They will need to provide their postal address as I only offer these appointment to residents of the Lyndhurst & Fordingbridge Division.

For residents who are unable to make use of a virtual surgery appointment, I am happy to arrange a telephone or in-person meeting. This can either be arranged by email or by telephoning 07738 289889.

Election Results I was delighted to be re-elected as your Hampshire County Councillor for Lyndhurst & Fordingbridge in the local elections. The make up of Hampshire County Council is now as follows:

Party name	Seats won	% of votes
Conservatives	56	51%
Liberal Democrats	17	27%
Labour	3	13%
Independent	1	2%
Whitehill & Bordon Community Party	1	< 1%
Election results by party

Pharmacy Test and Collect Hampshire residents without symptoms can access free supervised testing, or collect kits to self-test at home, from participating pharmacies across the county.

In Hampshire, over 200 pharmacies are providing the national collect scheme and over 40 of these pharmacies will also be offering on-site supervised lateral flow testing.

Hampshire's symptomatic testing sites will continue to offer test kit collection for people without symptoms **from 2.30pm to 8pm**, alongside the pharmacy scheme.

Lateral flow testing and the test kit collection scheme are for people without symptoms. Anyone with symptoms of coronavirus must book a PCR test or call 119.

## Collecting kits from a pharmacy for testing at home:

- Anyone over the age of 18 can collect test kits from participating pharmacies for themselves and their families to use at home.
  - You can collect 1 pack per person of 7 lateral flow device tests.
  - There is no need to book an appointment.
  - Testing should be done twice a week. It is important to record the result.

Hampshire County Council Farms Hampshire County Council has a 1,900-hectare farm estate. Holdings range from 1.8 hectares (4.45 acres) to 114 hectares (282 acres). These provide an affordable first step on the farming ladder for aspiring farmers and makes a significant contribution to the rural economy.

The council's farm estate features a range of units that support dairy, arable, horticultural and livestock businesses including our very own local Jersey herd farm shop based at Attwood's Drove, Compton.

Connect4Communities Vulnerable children in Hampshire have been given £15 food vouchers for this half-term. This initiative is part of the connect4communities programme led by Hampshire County Council.

They include families whose children are eligible for free school meals, all children open to early help services, 16 to 18-year-olds previously eligible for free school meals and all two to four-year-olds accessing childcare and eligible for Early Years Pupil Premium. Community grants to support vulnerable families are open until 13<sup>th</sup> June 2021.

**Ticks and Lyme Disease** As spring approaches and more people are outdoors Hampshire residents are urged to be 'tick aware' especially when walking in wooded areas or long grass where ticks attach themselves to people or animals as they pass by. Further information is available here: https://www.hants.gov.uk/News/20210401ticks

**Book your Spring Recycling Slot** The HWRC booking system offers more than 50,000 booking slots each week sites are now open for longer: 9am – 6pm every day during the summer months.

A wide range of household items can be taken to one of Hampshire's 24 HWRCs for recycling or disposal and information about what can and cannot be deposited can be found online https://www.hants.gov.uk/wasteandrecycling/recyclingcentres

To make a booking Bookings can be made online at www.hants.gov.uk or by telephone 0300 555 1389.

**Cancellation** Anyone who is unable to make their booking for whatever reason is asked to please use the link in the confirmation e-mail to cancel it, so it may be made available to another resident. Bookings can also be amended, in this way, to another time if needed.

# Cllr Mrs Andrews (NFDC):

A persistent fly-tipper in the New Forest District area has received a sentence of 8 months' imprisonment, primarily due to evidence obtained by NFDC's Enforcement Team, and witnesses who came forward. This illegal behaviour shows a total disregard for our beautiful part of the world, using our quiet countryside lanes to dispose of waste. This gentleman who tipped locally at Brook and Bartley will not be able to tip for a while at least!

"Vision for the Waterside" will be looking at the A326, reopening the Waterside Railway Line and Totton Railway junction, there are significant issues connected to all the above. The public consultation is to follow.

Positive news, Southern Water added an additional option after their desalination plant met with public opposition. Working with Portsmouth Water, approval has been given for a reservoir at Havant Thicket, there will be no further need for a desalination plant at Fawley now.

There is three way road control at Loperwood Lane as highway drainage chambers are installed causing traffic delays. The 80 dwellings due to be built have not started yet but site infrastructure is well under way.

#### 9. Reports from Parish Representatives

 Quadrant – The last NE Quadrant meeting was on 13/05/21 via microsoft teams. Presentations were made on 'The Climate and Nature Emergency' (Paul Walton NFNPA), coping with increased visitor

numbers (Nigel Matthews NFNPA), and a Forestry England Update (Sammy Fraser FE). Steve Avery of NFNPA also talked about the Partnership Plan for the New Forest update, Non-Designated Heritage Assets (locally listed buildings), the Design Guide update, pop up campsites, and development along the Waterside - several of which will need Parish Council involvement and feedback later in the year. If the PC wants any further information or advice on these topics NFNPA will be happy to provide some. The next meeting is scheduled for September 9th at 19:00 - hopefully this will be a physical meeting in Minstead Hall (subject to covid developments). There was a general feeling that virtual meetings will continue to have a significant role.

- Website hall booking has been updated. Co-ordinating with newsletter and Facebook updates
- Newsletter being worked on.
- Community Shop doing well but still seeking volunteers. Now has membership with "Go New Forest".
- Village Hall being clad, bookings are currently good.
- · PCC held face to face meeting

#### 10. Report from Lengthsman

He was not able to get onto the ground so much this month, mainly because of the bad weather.

- Church footpath he has put in another drain under the path where the water has overflowed. The drain
  already in situ was not sufficient to drain properly and mainly due to the angle of pipe so it was not
  possible to rod through. Inserted a new pipe and should now be easier to clear of debris when required.
- Bull lane path grass strimmed cut back over growing whips.
- Church foot path grass strimmed, whips and clear grass cuttings.
